We have many other Westinghouse kits available including
JF AUTOSTARTER • AMPGUARD LF-GF

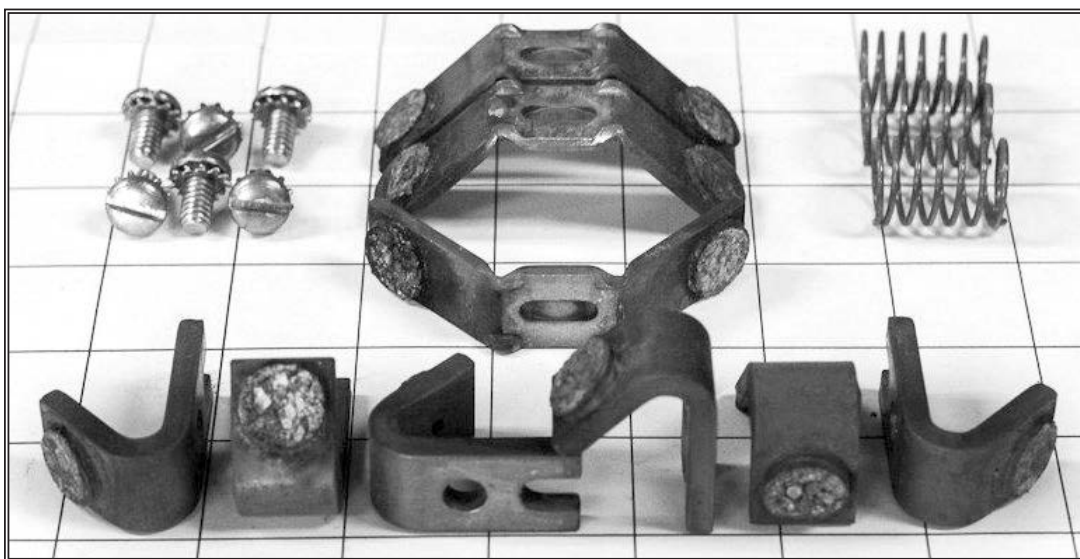

We supply many contact kits other than those listed.
Please call if what you need, doesn't appear in our catalog.

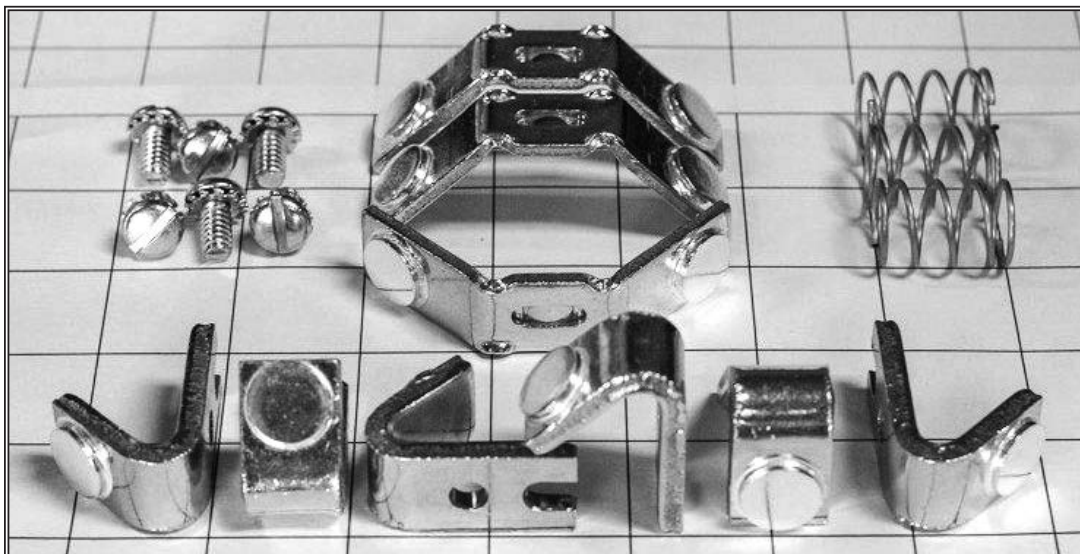

Benefits of Retipping

1. Perfect for Obsolete Parts when Replacements are not Available
2. Lower Cost than purchasing new contacts.
3. Environmentally Friendly... Recycling and reuse of old parts
4. 24-Hour turn around in most cases
5. No issues from having to retrofit new parts into older equipment.

Before retipping (example 1)

After retipping (example 2)
